

kanata theatre Subscriptions — 2007-2008 Season

Welcome to the five plays of our 39th season.

Each play is presented at 8 p.m. from Tuesday through Saturday of two successive weeks. One subscription provides you with one ticket to each play, in the same seat and on the same night of each play (for example Seat N17 on the second Thursday). In addition, Kanata Theatre presents an hour-long family musical production, which is not part of the subscription series, in the week after Christmas. These tickets go on sale in November and cost \$5 (general admission).

The deadline for current subscribers to renew their subscriptions is the last day of the last play of the season. We assign seats for the next season in this priority order:

1. Subscribers who renew the same seats by the deadline are guaranteed those seats. This includes subscribers who renew only part of their current subscription.
2. Subscribers who request changes (more seats, different seats or different night) by the deadline are next in priority. We process those requests in order of the date on which we receive each paid request.
3. New subscribers, and existing subscribers who renew after the deadline, are third in priority. We process those requests in order of the date on which we receive each paid request.

We cut off subscription sales for a particular night (for example first Friday) when we reach 90% of the capacity of the playhouse. We expect to reach this limit on Fridays and Saturdays, and may on some other nights. However we have found that we can accommodate most subscriber change requests that are submitted before the renewal deadline. We will attempt to contact you by phone if we cannot provide exactly what you request.

There are **no refunds**, either for subscriptions or for individual tickets. However we will exchange tickets for another performance of the same play, for a fee of \$1 per ticket, provided that

- you return your original tickets to the box office at least 48 hours before the date on those tickets, and
- provided that tickets are available on the night that you request. Few tickets are available on the more popular nights, and some plays sell out completely.

We normally mail subscription tickets during June and July. Please contact us if yours have not arrived by September.
