

kanata theatre Subscriptions — 2008-2009 Season

Welcome to our 40th season — 5 plays in the main series, and a special musical presentation.

Each play is presented at 8 p.m. from Tuesday through Saturday of two successive weeks. One subscription provides you with one ticket to each play, in the same seat and on the same night of each play (for example Seat N9 on the first Friday). This year in the week after Christmas Kanata Theatre also presents a two-act family musical production, “Just So”, which is not part of the subscription series. **Subscribers can order tickets with their subscription at the discount price of \$5;** musical tickets purchased separately are \$8 for matinees (general admission) and \$10 for evenings (reserved seating).

The deadline for current subscribers to renew their subscriptions is May 31, 2008. We assign seats for the next season in this priority order:

1. Subscribers who renew some or all of their same seats by the deadline are guaranteed those seats.
2. Subscribers who request changes (more seats, different seats or different night) by the deadline are next in priority. We process those requests in order of the date on which we receive each paid request.
3. New subscribers, and existing subscribers who renew after the deadline, are third in priority. We process those requests in order of the date on which we receive each paid request.

We cut off subscription sales for a particular night (for example first Friday) when we reach 90% of the capacity of the playhouse. We expect to reach this limit on Fridays and Saturdays, and may on some other nights. However we have found that we can accommodate most subscriber change requests that are submitted before the renewal deadline. We will attempt to contact you by phone if we cannot provide exactly what you request.

There are **no refunds**, either for subscriptions or for individual tickets. However we will exchange tickets for another performance of the same play, for a fee of \$1 per ticket, provided that

- you return your original tickets to the box office at least 48 hours before the date on those tickets, and
- provided that tickets are available on the night that you request. Few tickets are available on the more popular nights, and some plays sell out completely.

We try to mail subscription tickets by the end of July. Please contact us if yours have not arrived by September.
